TERM 3 – 13th February 2026

Dear Families,

In case you were wondering, that big shiny bright thing in the sky is indeed the sun! What a difference a bit of brightness makes to our days right? It fills us with joy and hope - which is how your children make us feel every single day. Each and every one of them is a little ray of sunshine - and we nurture that brightness in our school as I know you do at home.

I am exceptionally proud of our school, our children and our community - together we are changing the world, day by day and what a privilege it is to be part of something so magical.

Have a wonderful half term break, a reminder the children start term 4 on **TUESDAY 24th February**.

Thank you for your continued support,

Emma Barker
Headteacher.
