

TERM 3 – 27th February 2026

Dear Families,

Wishing you and very warm welcome back to the start of Term 4. We all hope you had a good break over half term.

Our first week has been go, go, go. We have certainly hit the ground running with getting straight back into learning. As I have gone round and talked to children this week, they have all been an absolute joy telling me all about their learning and (this is the bit that I am super-excited about) why they are learning and what difference it is making to them. One young man said "I feel so proud of myself when I am learning, it feels so warm inside I can't but smile on the outside." Well it doesn't get better than that right?

A reminder that full reports will be going out at the beginning of term 5, please always get in touch if you would like to talk about your child's learning.

Thank you for your continued support.
