

## TERM 4 – 13<sup>th</sup> March 2026

Dear Families,

We are now half way through term 4 and wow, time certainly flies when you are having fun right? What I mean by that is that all the wonderful learning that goes on every single minute of every day is fun - it may be tricky or challenging for the children at times - good, that is what learning looks like, but the feeling that children get when they do it, they do feel they have overcome something more challenging - that is fun, that does feel good, that is what makes the time fly!

I cannot stress how valuable and impactful it is when you dedicate some time to talking with your child about their learning, please continue to use the 'Tell Me About' sheets to give your ideas on what to ask them and what they are learning about. Be Curious!

Thank you for your continued support.  
Best wishes  
Emma Barker
